MEMORANDUM FOR H. J. Hart, Director, JPEO-CBD Enterprise Fielding and Surveillance (JEFS) Directorate

SUBJECT: Joint Equipment Assessment Program (JEAP) Renamed to Joint Program Executive Office for Chemical Biological Defense (JPEO-CBD) Enterprise Fielding and Surveillance (JEFS) Directorate

1. The JPEO-CBD has directed an integrated Material Fielding process for all fielded products within the CBRN portfolio to streamline costs and increase efficiencies. The Joint Equipment Assessment Program (JEAP) is an important key to the consolidated fielding process and has redesignated its office code to JPEO-CBD Enterprise Fielding and Surveillance (JEFS) Directorate, effective immediately.
2. JEFS reflects an important name change commensurate with increased responsibilities for our "Albany Team." As always, we greatly appreciate the tremendous support we receive from you.
3. The POC for this effort is Mr. Mark Zimmerman (JPEO-CBD) at (410) 436-3911, or [mark.g.zimmerman5.civ@mail.mil](mailto:mark.g.zimmerman5.civ@mail.mil).
